Message from the Principal

There has been talk about a new attendance program to replace Adult SIS and it is finally here. DACE-SIS will premier on July 1, 2019. Before the premier, staff members who currently have ASIS access will receive specialized training. SIS personnel, administrators and advisors are the first to be trained. Teachers will be trained on the last day, June 10, which is a pupil-free day. It is important that everyone attend at their scheduled time. Teachers who have a summer school assignment will be the first to report attendance on DACE-SIS.

The CCAE Spring Awards Brunch is this Sunday. NVOC has two scholarship winners being honored. **Rocio Ortiz** will receive the CCAE Student Scholarship, and **Vanessa Pastora** will receive the Sadae Iwataki DACE Student Scholarship Award. Come out and support our students and the organization that does so much work for Adult Education in California. Purchase tickets online at ccaalametro.org/springawards.

Valley College Field Trip Sign-Ups

As part of North Valley's continuing LARAEC partnership with LA Valley College, LAVC will be hosting two upcoming fieldtrips for both our day and evening programs. Wednesday, May 15th from 8:00AM-12:30 PM and Wednesday, May 22nd from 5:00-8:30 PM. LAVC will be sending buses to the NVOC and EVSC campuses to take our students for college tours, admissions, financial aid, and to provide information about their unique degree and certificate programs. Lunch or dinner will provided to participants.

All interested students should sign-up in the adult school counseling office as soon as possible to secure a spot on the bus. College counselors will be available to assist participants with the admission process and to help students who are ready to enroll in summer or fall classes. Most of our students will qualify to have the first year of college tuition covered if they qualify for the California Promise Program.

These will be the last scheduled college fieldtrips for the school year. Please encourage students to take advantage of this awesome opportunity to receive hands on assistance with transferring to the community college system.

Student Success Story

Nicholette De Leon is a deaf student learning English through American Sign-Language in Mr. Hiltermann’s class. She recently participated in the Universal Studios recruitment day organized by WIOA Navigator John Alvarez here at NVOC. She submitted her employment application and was soon contacted for a job interview. She was then offered a position as a wardrobe assistant. This is Nicholette’s first job!!! She is the perfect example of someone who despite of her language barrier she can be a productive member of society. We are all very proud of her for all her hard work, dedication, and perseverance to learn English.
