WEEKLY NEWSLETTER

Message from the Principal

We hope everyone had a great Memorial Day weekend. This is a short but important week. On Friday, NVOC will host the annual High School Graduation to celebrate the students who have earned their high school diploma or passed the High School Equivalency Test. Moments like these show how students help spread the word of our excellent programs through their own success stories. In these final two weeks of the semester, let's make the best of this time to connect with our students and give them the encouragement to finish their courses and help them plan for the next step in their pathways to success. Our goal is for all students to succeed. Next Tuesday, June 4, there is a special election and there is only one measure on the ballot: Measure EE. Polls will be open from 7 a.m. to 8 p.m. on Election Day, Tuesday, June 4. To find your polling place, visit www.LAVote.net/locator. LAUSD encourages voters to exercise their right to vote. Have a productive week!

Student Success Story

A+ Certification student **Jay Betito** completed his CompTIA A+ certification in January 2019 and started to work as an IT Computer Services Consultant at the office of the Provost at USC in April of 2019. The exam is designed to certify the competency of entry-level PC computer service professionals in installing, maintaining, customizing, and operating personal computers. The A+ Certification is sponsored by the Computing Technology Industry Association (**CompTIA**). A+ Certification qualifies you for a variety of IT job roles including:

- IT Support Specialist
- Help Desk Technician
- Technical Support Analyst
- Desktop Support Technician
- Senior IT Technician
- PC and Hardware Repair

Congratulations to Jay and his instructor, **Mr. Carlos Garcia**.

Equipment Loans to be Returned

Any staff member who has checked out equipment is reminded to return the equipment borrowed before June 6. Equipment needs to be checked in the inventory by the end of the school year. If you need to borrow the equipment after the end of the spring semester, please let us know and we will gladly extend the loan once it is marked in the inventory. Teachers working in the summer who need equipment are encouraged to talk to Mr. Wickham as soon as possible. NVOC is committed to supporting our teachers' technology needs through equipment loans and we must make every effort to account for, repair and replace equipment when needed. Requesting technology is done through assistant principals who review the request and approve the order. If you have any questions, you can contact Mr. Wickham through email at ross.wickham@lausd.net or (818) 256-1400 ext. 1325.

DACESIS Training for Teachers

The new **DACESIS** program is replacing our current ASIS system starting July 1, 2019 and teachers will need to be trained on the use of the new system. Our DACESIS Coordinator, Delmy Walker, and ITTA, Barry Bakin, will offer trainings for all of our teachers at each site on the new attendance procedures and other features of this program. Teachers who are eligible may receive DSTR or Salary Step Advancement.
